COMPLIANCE ASSURANCES FOR USE OF IDEA FUNDS (ARRA)

The applicant hereby certifies to the Commissioner of Education that the representation made in this application properly reflects the projected pupils, personnel, and expenditures to be incurred in the operation of the special education program for pupils with disabilities conducted within the school system, that the expenditures for services and goods will be made exclusively for the benefit of pupils which meet the eligibility criteria established by the Department of Education, and that personnel assignments and other documentation of expenses will be readily available for audit. All records necessary to ensure the correctness of the information provided by the agency will be kept five years beyond the final reporting date and access to such records will be provided to the State Department of Education.

The Local Education Agency (LEA) hereby assures the State Education Agency (SEA) that the LEA meets each of the following conditions:

1. Special Education and Related Services will be provided in compliance with the established Tennessee Rules, Regulations & Minimum Standards.
2. The LEA, in providing for the education of children with disabilities within its jurisdiction, has in effect policies, procedures, and programs that are consistent with the State policies and procedures established under §612.
 - a. A free appropriate public education (FAPE) is available to all children with disabilities, as defined under §602(3) and who have a current individual education program (IEP), residing in the State between the ages of 3 through 21, inclusive, including children with disabilities who have been suspended or expelled from school. 612(a)(1)
 - b. The LEA has established a goal of providing full educational opportunity to all children with disabilities and a detailed timetable for accomplishing that goal. 612(a)(2)
 - c. All children with disabilities residing in the LEA, including children with disabilities who are homeless children, or are wards of the State, and children with disabilities attending private schools within the LEAs jurisdiction, regardless of the severity of their disabilities, and who are in need of special education and related services, are identified, located and evaluated and a practical method is developed and implemented to determine which children with disabilities are currently receiving needed special education and related services. 612(a)(3)
 - d. An individualized education program (IEP), or an individualized family service plan (IFSP), that meets the requirements of section 636(d), is developed, reviewed and revised for each child with a disability in accordance with section 614(d). 612(a)(4)
 - e. To the maximum extent appropriate, children with disabilities, including children in public or private institutions or other care facilities, are educated with children who are not disabled. Special classes, separate schooling, or other removal of children with disabilities from the regular educational environment occurs only when the nature or severity of the disability of a child is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. 612(a)(5)(A)
 - f. Children with disabilities and their parents are afforded the procedural safeguards required by §615. 612(a)(6)
 - g. Children with disabilities are evaluated in accordance with subsections (a) through (c) of § 614. 612(a)(7)
 - h. LEAs will comply with §617(c) relating to the confidentiality of records and information. 612(a)(8)
 - i. Children participating in early intervention programs assisted under Part C, and who will participate in preschool programs will experience a smooth and effective transition consistent with §637(a)(9). LEAs will participate in transition planning conferences arranged by the Lead Agency under §635(a)(10) and an IEP or, if consistent with sections 614(d)(2)(B) and 636(d), and IFSP will be developed and implemented by the third birthday. 612(a)(9)
 - j. Ensure that all requirements under §612(a)(10) regarding Children In Private Schools are being carried out in a manner consistent with the statute.
 - k. Ensure that all requirements under T.C.A. §49-10-107, T.C.A. §49-10-305 and T.C.A. §49-10-701, regarding Contracts for Special Education Services are being carried out in a manner consistent with the statute.
 - l. The LEA shall ensure that all personnel necessary to carry out this part are appropriately and adequately prepared, subject to the requirements of § 612(a)(14) and § 2122 of the Elementary and Secondary Education Act of 1965. 613(a)(3)

- m. This LEA will either choose to coordinate with the National Instructional Materials Access Center when purchasing print instructional materials in accordance with section 612(a)(23) or will provide instructional materials to blind persons or other persons with print disabilities in a timely manner. 613(a)(6)
3. The LEA shall provide the SEA with information necessary to enable the SEA to carry out its duties under this part, including, with respect to Sections 612(a)(15) and 612 (a)(16), information relating to the performance of children with disabilities participating in programs carried out under this part. 613(a)(7)
 4. The LEA shall make available to parents of children with disabilities and to the general public all documents relating to the eligibility of such agency under this part. 613(a)(8)
 5. The LEA shall cooperate under section 1308 of the Elementary and Secondary Education Act of 1965 to ensure the linkage of records pertaining to migratory children with disabilities for the purpose of electronically exchanging, among the States, health and educational information regarding such children. 613(a)(9)
 6. Subject to section 613(b)(3), the LEA application submitted to the SDE shall remain in effect until the LEA submits to the SDE such modifications as the LEA determines necessary. 613(b)(2)
 7. Ensure that all requirements under §613(a)(5) regarding treatment of Charter Schools and their students are being carried out in a manner consistent with the statute.
 8. Children with disabilities served with IDEA funds shall be counted in the same manner as children without disabilities to supplement the academic program funds earned and paid from the Basic Education Program. TRR&MS 0520-1-9-.03 (3)(a)
 9. Funds provided under IDEA will be used to pay the excess cost of providing special education and related services to children with disabilities; shall be used to supplement the State, Local and other Federal funds and not to supplant such funds; and shall not be used, except as provided in §613(a)(2)(B)-(C) to reduce the level of expenditures. §613(a)(2)(A) and §612(a)(17), TRR&MS 0520-1-9-03(2)(k)(4)
 10. According to Rule 0520-1-9-14(6)(a), procedures for providing an independent education evaluation (IEE) upon parental request have been submitted and approved to the Department of Education. Any future revision to the IEE procedure will be submitted to the Department for approval.
 11. According to TCA 9-1-104 (a) & (b) *Maximum class size*, our LEA case load and class size standards have been submitted and approved by the Department. There have been no changes since the original submission. (The State will review LEA caseload and class size standards for compliance.) Any future LEA updates or revisions will be submitted to the Division of Special Education for approval and for reference purposes.
 12. Children with disabilities served with IDEA funds have at least the same average amount spent on them, from sources other than Part B, as do the children in the school system taken as a whole. TRR&MS 0520-1-9-.03 (3)(a)(b)

In addition, the LEA hereby assures the SEA that in conjunction with ARRA funds the LEA will:

1. Comply with all applicable laws and regulations including any directives or requirements from the Tennessee Recovery Act Management (TRAM) office;
2. Submit reporting requirements as specified by federal and state laws, regulations, and/or policies;
3. Track all ARRA funds and expenditures in separate budget accounts and categories as required.

C. FINANCIAL INFORMATION FOR ARRA FUNDS

1. PERMISSIVE USE OF FUNDS

AFTER reading the requirements on the corresponding form, please answer **yes** or **no** to each of the following items (A, B, and C). Any **yes** response requires completion of a corresponding form that follows. If **no** is answered on all three items, continue completing the application and disregard the attached forms for these permissive programs.

☐ Yes ☒ No **A. Adjustment to Local Effort in Certain Fiscal Years.** IDEA 04 allows a LEA to reduce state and local maintenance of effort by up to 50% of the increase in IDEA funds from the previous year if those funds are used to provide activities authorized under ESEA. If the LEA wishes to reduce MOE, it must use the attached form to calculate the maximum amount available for this purpose (Page 3A) and indicate how these funds will be used (Page 3A(1)).

There are limitations to this adjustment. If the LEA is also electing to take funds under Coordinated Early Intervening Services, this reduces the amount of funds available for the reduction of MOE. Also, any LEA identified as not meeting requirements in the State's APR, is prohibited by law from reducing its maintenance of effort figures.

☐ Yes ☒ No **B. Permissive Use of IDEA funds for Schoolwide Program.** IDEA allows a LEA to use funds to carry out a schoolwide program under Section 1114 of ESEA. If an applicant utilizes these funds, you will report the designated amount for each school and ensure that excess cost and service requirements are met. *(Use form on Page 3B)*

☐ Yes ☒ No **C. Permissive Use of IDEA funds for Coordinated Early Intervening Services.** IDEA allows a LEA to use up to 15% of funds, in combination with other amounts (other than education funds), to develop and implement Coordinated Early Intervening Services, which may include interagency financing structures, for students in kindergarten through grade 12 (with particular emphasis on students in kindergarten through grade 3) who have **not been identified** as needing special education or related services but who need additional academic and behavioral **support to succeed in a general education environment.** *(Use form on Page 3C)*

NOTE: If an LEA is determined to have significant disproportionality based on race and ethnicity utilizing state criteria, the LEA must utilize Coordinated Early Intervening Services (Section 618 (d)(2)(B)). The amount expended by an LEA under Coordinated Early Intervening Services shall count toward the maximum amount of expenditures such LEAs may reduce in Item "A" *Adjustment to Local Effort* (above).

If an applicant utilizes these funds, you must show the calculations on the corresponding form. LEA: Cannon County Schools
